

FEEDLINE

BULLETIN OF THE CANTON AMATEUR RADIO CLUB
Affiliated with the "American Radio Relay League"

Let's get acquainted with your fellow amateur, with a picture visit to the QTH of Harold (Hal) Swihart, W8IKM. Like old uncle D, Hal's shack is located in the little house back of the big house, and of course only three steps from the Swihart garage that Hal owns and operates. (Haming in mind) A past president of the Canton Amateur Radio Club, and for several years served as club trustee. Hal's love for motors and speed led to his livelihood in the garage business. For several years Hal was mechanic for Joe Taggart one of the better known Hydroplane race drivers. At present Hal is running a Valiant with a H HT-37 on the side line. The receiver is a SX-101 A, with a Tri-band beam. Hal and his lovely wife Nell live at 125 Smith Ave. N.W. At this writing Hal is convalescing after having undergone major surgery Nov. 27th. Our very best wishes Hal for a speedy recovery.

CANTON AMATEUR RADIO CLUB, INC.

VOL. 3

NOVEMBER 1962

No. 11

Monthly bulletin of the Canton Amateur Radio Club, Inc.

Affiliated with the American Radio Relay League

A member of A. R. E. A.

Club Station W8RTR affiliated with local Red Cross chapter and AMCROSS system.

OFFICERS

President: Charles Rex K8MZZ

Vice President: John Edel K8LBZ

Sect./Treas. Lawrence Schmader K8RMY

TRUSTEES

John Blazekovich K8KTM Henry McLaughlin W8OYV

Shirley Rex K8MZT Clarence R. Roy W8HR

Bob Van Nostran K8DRS Carmella Cicerello W8NAL

Meetings are held 1st and 3rd Wednesday of each month at the Red Cross Building - 123 - 3rd Street S.W. Canton, Ohio.

"The FEEDLINE" is the official organ of the CANTON AMATEUR RADIO CLUB, INC. mailed monthly to all club members, to others on request. Donations welcome to help defray the cost.

Club News

At the Oct third meeting a motion was made and carried, that prior to elections a nominating committee be appointed.

It's duty will be to insure the membership, at least (2) two candidates willing to serve in each office to be filled. At the first meeting in September before election, nominations will be open to all comers. (Club members that is).

This was done to prevent declining, to the extent, that a candidate would be unopposed at election time.

If in need of form 610 try K8RMY, W8YAB, W8OYV, W8AL or at Walkeradio. Thought you might like to know where these applications may be acquired without writing the FCC.

Join or renew your ARRL membership through the club's subscription service. You will benefit by backing the ARRL and the club will benefit by handling your subscription. (JOIN NOW)

The club also has available a instructorograph with six tapes, to loan for proper care. Ask about the TG-34, this is suggested where more than two are practicing code together.

Club literature: A eight page booklet on oscilloscope patterns, giving 91 illustrations. TVI dope, where to get the High Pass filters. TVI and what to do about it.

Ask or write to FEEDLINE 1508 Navarre Road SW Canton 6, Ohio

Attention: new Hams, a 1962 Stark county Amateur directory. If mailed send 8 cents to cover postage.

HOT RF

Larry Gladville K8UBK received recognition from the RED CROSS, Massillon chapter, for being able to communicate urgent traffic to and from Guam, following typhoon Karen.

The relay was through WA6UIV to a Mari-time mobile stationed at Guam.

Incidentally the ship was the SS Summit County.

When unable to work DX, have it come to you, this happened Nov 21, when Eugene Sussli HB9ACI attended our club meeting. Eugene told of amateur radio in Switzerland and how it compared to amateur radio in the U.S.A. They are about 650 hams in the country, with two classes of licenses being issued, D-1 & D-2. D-1 permits one to operate up to 80 watts, while D-2 allows up to 320 watts. Examinations are in two parts, practical and technical. CW is 10 WPM. About 75% of the HB stations work CW.

These and many more interesting comments were given in answer to questions asked by the attendance.

Ed Clinger, WA8DRT is airing a new Ranger II, with a TA 33 Jr. & a new HQ170, vy FB Ed.

New novices: Michael R Eisenbrei WN8FOU, Stuart Beatty WN8GAI, James R Waldorf WN8GAJ, Carl F Werner WA8FGF.

We welcome these fellows to the ham fraternity and CARC, may technical knowledge be gained along with many years of enjoyment.

Who was the W4/S that stabbed tom turkey and bent the fork ?.*'/'tough bird.

TOM Sponhour K8GVV is doing a FB job with the new mobile rig.

Will 44 contacts win the club's A-3 sweepstakes award ?, if so, I ran a good second. That mystery beam is what did it.

Commercials

FOR SALE -DX20, mint condx; used 1 year: 2 xtals for 80 meters, extra final tube-contact KN8SWA GR7-4153 .no reasonable offer refused.

FOR SALE-Hornet 4 element wide space triband beam, new Dec. 1961, with 65 foot tower, Alliance rotor, 80 foot of RG8/u coax, \$150.00 delivered. Frank Hogue (K8SND).

Wanted : NC-270 WN8GAJ 455-1583.

.....

HOW COME ? A club with 160 ± membership and only eight registered to compete in the club's sweepstakes award. Does this event need more publicity ? What ever the cause, how about getting them away from TV in 63.

Looks like BOB K8VLU uped his 1961 score by about 23,000 points.

Here are a few scores that we have knowledge of.

A-1		A-3	
W8NAL.....	26.000	W8YAB.....	2295
K8VLU.....	127.400	W8OYV.....	960
W8YAB.....	450	?	
W8AL.....	19.911	?	
W8HR.....	11,800	?	
K8BXU.....	24.200		
W8DNC.....	26.125		

.....

Never argue with your doctor--he has inside information.

Football Game:: A contest where a spectator takes four quarters to finish a fifth.

Having been on vacation for three weeks, the FEEDLINE is running very late, in fact you may get it in December, if so, we will flex every muscle to get the December issue to you before Christmas.

Another county wide mailing is planned, so we are in need of news. Send us a story, or something that you think will be of general interest.

January will also be a special issue, as the FEEDLINE will be starting its fourth year.

Amateur License Plates
1963

Application and information can be obtained from Bureau of Motor Vehicles, 275 S. Fourth St Columbus 16, Ohio
Deadline for return of the application is December 31st, 1962.

Federal Communications Commission,
334 York Street, Gettysburg, Pennsylvania.

Notice: If you have extra Christmas Seals, we can use them on the December Feedline.

Congratulations to Mr & Mrs Warren Collins, (K8ZCO) on the new Harmonic, a Boy ? Get the code osc going Warren. Dick Bowman K8QZL has a new Johnson Valiant on the air.
